West-country wear

B&B = beautiful & boutique. Inset: jean genius!

Your fashion guide Genevieve Mullen, QVC's fashion expert.

Brit shop spot Mimi Noor, 25 Milsom Street, Bath (Miminoor.com).

Run(way) there "Mimi Noor is one of the best boutiques outside London," says Genevieve. "Bath is full of great vintage shops, but I go to Mimi's for jeans. With over 100 styles, you'll find everything from popular designers, such as J Brand, to harder-to-come-by names, such as Goldsign. It's impossible to leave without nabbing the perfect pair. Mimi really knows her stuff, which is why I keep going back."

Best buy A pair of James Jeans for £195 that make me feel like a supermodel.

Fash pad Brindleys boutique bed and breakfast is one of the prettiest places to unwind, and so nice you'll almost want to stay in and shop online. The house is close to the centre of Bath, but quiet enough to feel like the countryside. Prices start from £110 per night for two (Brindleysbath.co.uk).
