**LOCATION** Set in a quiet, tree-lined spot just 10 minutes from the centre of the historical city of Bath, Brindleys is a short walk from the charming village of Widcombe and its local shops and restaurants.

**ROOMS** The six beautiful bedrooms are individually decorated in fresh, calming colours and furnished with antique-style French furniture. We love Bedroom Three (pictured, right), which is a deluxe super-king room. Priced

from £160 per night, it features the traditional combination of yellow and grey, with rose-printed fabric and classical-style furniture evoking the feel of a French country manor.

**FAMOUS FOR** Its personal service. Brindleys prides itself on offering a real 'home-from-home' experience. The large Victorian house is a family-run business and, as it has only six bedrooms, it provides a truly welcoming, personal service.
